posted by anthony on 16th September, 2011

Floating Ghosts Séance Tour of Downtown Tavares will begin with soft openings this weekend; regular tours begin on October 1st, 2011. These theatrical tours will perform on Saturday nights after sundown, and on other nights per special request. Special FX are included with these historical, hysterical tales of the ghosts that haunt the alleyways and waterways surrounding the isthmus city of Tavares.

The 90 minute tours will begin at the Railway Station at Wooton Park (on Main St.) Walking, minor stair climbing & ghost appearances are involved. Advance reservations are strongly recommended; stragglers will be able to join a tour only if space permits. Open Container Policy in downtown Tavares allows you to purchase and carry your drinks with you! Everyone on the tour gets discounted beverages from

participating downtown bars (ALS, O'Keefe's, Ruby St. Grille, and the new Lake Dora Sushi and Sake).
